CELIS CONCEPT

ESP_

Los productos Celis Concept están concebidos para dar respuesta a personas que aman el mundo de la arquitectura, la decoración y el interiorismo. Somos fabricantes y por lo tanto la calidad empieza desde el momento de la gestación del mueble tapizado. Por eso trabajamos con materiales nobles, robustos y duraderos. Además nos adaptamos a cualquier proyecto con materiales fuera de catálogo trabajándolos a medida.

- **A la última.** El espíritu innovador de Celis Concept permite ofrecer materiales de capacidades técnicas extraordinarias.

- **Versatilidad.** Celis Concept personaliza el producto al gusto del cliente.

- **Equipo de diseño.** Celis Concept cuenta con un departamento especializado en diseño para atender las demandas del sector del mobiliario contemporáneo tanto en la línea del hogar como en la de contract.

ENG_

Celis Concept products are designed to provide responses to people who love the world of architecture, decoration and interior design. We are manufacturers, so the secret of Celis is the control of manufacturing from the beginning. That is why we work with noble, robust and durable materials. In addition we adapt to any project with materials out of catalog working them to measure.

- **Latest Innovation.** Celis Concept innovative spirit allows to offer materials without standing technical capabilities.

- **Versatility.** Celis Concept customizes the product to satisfy all types of clients.

- **Design team.** Celis Concept has its own department specialized in design to meet the demands of the contemporary furniture sector, both in the home and contract lines.
